Please refer to the Choir Constitution for more details.

How we use your subs

London's Transport Choir is an amateur choir, and our aim is to keep subscriptions as low as possible so everyone who wants to can participate. Our annual subscriptions are much lower than other equivalent choirs and in most amateur choirs members would expect to pay for items such as a scarf or equivalent, branded music folder and in many cases music as well.

We receive no regular funding from Transport for London or from any other source. Our only sources of income are subscriptions, payments for events and the occasional one-off donation. Our outgoings are primarily for the professional musicians – Musical Director and accompanists. We also use your subscriptions to allow us to hold our own concerts.

The Committee and our Musical Director work hard to reduce costs by:

- Rehearsing mainly at TfL's offices to avoid room hire.
- Booking professional accompanists only for final rehearsals and events
- Utilising free sources of music and our own arrangements wherever possible
- Accepting suitable invitations to sing at events organised by others, to provide the choir with opportunities to sing in interesting venues which we do not have to pay for
- Negotiating fees for events to cover rehearsal costs rather than just the event cost.
- Actively seeking donations in cash or kind (e.g. for funding the purchase of musical equipment)

Can you help?

In previous years Transport for London funding cutbacks have had an impact on our income. If you know of any potential sources of funding/sponsorship or hear of any events that we could sing at, please let us know. We will consider all invitations to sing and will pursue all sources of potential funding.

Do also recruit your friends and colleagues to the choir – we welcome everyone, including those new to singing!

* We charge for replacements if lost, stolen or destroyed!
† The books used at Christmas (*Carols for Choirs* 1, 2 and 3) are not provided by the choir.
We use these books every year, so they are a worthwhile investment.
Alternatively, they can be borrowed free from the choir or other local libraries.
